

# Indian Youth Climate Network

Support. Unite. Share. Engage. Inspire. Change.

Future Leaders Program

# Objectives and Goals

Future Leaders Programs

Goal

# 1

Arm you with a full understanding of youth networks & movements, empowering you to drive change!

Goal

# 2

Gear you up with hands-on experiences to turbocharge your leadership skills!

Goal

# 3

Fuel your ability to craft solid action plans for bringing pro-climate ideas to life with the Indian Youth Climate Network

***This isn't a program for passive observers. Be mentally ready to actively participate. Show that you're not just a team player but someone who takes the initiative to make things happen!***

# Ninja Moves!

**Stay Curious, Stay Cool:**  
Be the one with the cool questions!

**Be Open Minded** - Respect the diversity of ideas & opinions in the cohort

**Catch Ideas on the Fly:** Keep your phone or notebook handy to jot down those lightbulb moments.

**Connect like a social butterfly** - Keep the conversation going, this is your safe place

**Tweet out your learning.** Let your creativity flow and share your journey with the world!

**Be Results-Oriented,** focus on tangible outcomes at each phase of this program

**Stay Authentic, Stay Notice**  
IYCN is always on the watch for youth leaders, even in the most unexpected moments.

**Take Ownership** - Be prepared to step up, follow through on your tasks, and hold yourself accountable.
