## **Call for President's Office, Interim Executive Members & Transition Guides Positions**

**Circular // 04-08-2024 // VO-ME**

It is hereby announced that the **position of President of the Indian Youth Climate Network will soon be vacant.**

Consequently, applications are being sought for the President's Office (2 vacancies), along with 4 interim executive members positions intended to manage the transition responsibilities of the Managing Committee (Governing Body). Selected candidates will be provided the unique opportunity to participate in the governing body election next year, allowing them to gain valuable experience and capacity to assume various leadership positions within IYCN.

While all society members can participate in the governing body elections, these candidates will have the advantage of demonstrating their capabilities to the network over the coming year. Selected candidates will be supported with knowledge transfer and strategic guidance to build upon the existing frameworks and IYCN infrastructure that has evolved over 16 years. When large networks like IYCN undergo transition, it becomes crucial to preserve the legacy of the organisation while ensuring that the movement remains dynamic and robust with strong youth leadership. As the network is currently engaged in over 30 projects & activities across different states, this transition phase is crucial and must be managed smoothly and effectively.

Individuals who meet the following criteria are encouraged to apply:

- Deep commitment to the mission and vision of IYCN
- **Youth aged 18-35 years** with valid Indian citizenship
- Strong leadership and organisational skills.

- Ability to effectively manage and oversee multiple initiatives simultaneously.
- Eagerness to learn, grow, and take on higher leadership responsibilities in the future.

Freshers with leadership experience are also welcome to apply.

These roles are voluntary and come with significant responsibilities. Youth aged 18-35 years with valid Indian citizenship are invited to share their expression of interest and resume by [filling out this form](#) by **2nd September 2024**.

Additionally, those interested in supporting the knowledge transfer process during this transition period may apply as “**Transition Guide**”. Transition Guides applications are also open to alumni and individuals in existing leadership roles, including national, chapter and regional coordinators or fellows of the IYCN Future Leaders Program. Please **share your expression of interest to [contact@iycn.in](mailto:contact@iycn.in) by 28th August 2024 for applying as a Transition Guide.**
