

Future Leaders Program

Indian Youth Climate Network

Support. Unite. Share. Engage. Inspire. Change.

Dear IYCN,

Recognizing the complex nature of the Indian Youth Climate Network, we understand that newcomers may face challenges in adapting to its dynamics. In light of this, we are pleased to announce the introduction of a specialized capacity building cohort. **We are seeking individuals who are prepared to make a meaningful and long-term commitment, rather than seeking short-term volunteer opportunities.**

Program Highlights:

Participants will:

- Gain a comprehensive understanding of IYCN's operational frameworks.
- Familiarize themselves with the network's diverse resources and tools.
- Acquire knowledge of effective mechanisms to drive and amplify the youth climate movement across India.
- Be positioned to contribute to high-level decision-making processes within IYCN.

Eligibility Criteria:

This program is tailored for youth demonstrating **high commitment to:**

- Engaging actively in network activities.
- Crafting strategies beneficial for all stakeholders.
- Championing the youth climate movement at local, regional and national level
- Showcasing potential for leadership roles within the network.
- Commitment to devote **2 hours/week** for a duration of **2 months**

We invite those with a genuine passion for climate action and a desire to drive meaningful change to avail of this opportunity.

Application Process:

- **Cohort Size:** Limited to **maximum 12 participants from diverse backgrounds** for focused & meaningful engagement.
- To apply, kindly **send your expression of interest to contact@iycn.in** Please detail your motivation, relevant experiences, and aspirations related to IYCN.
- **Last Date to Apply: 21st January 2024**
