

What's Up With Vijaywada?

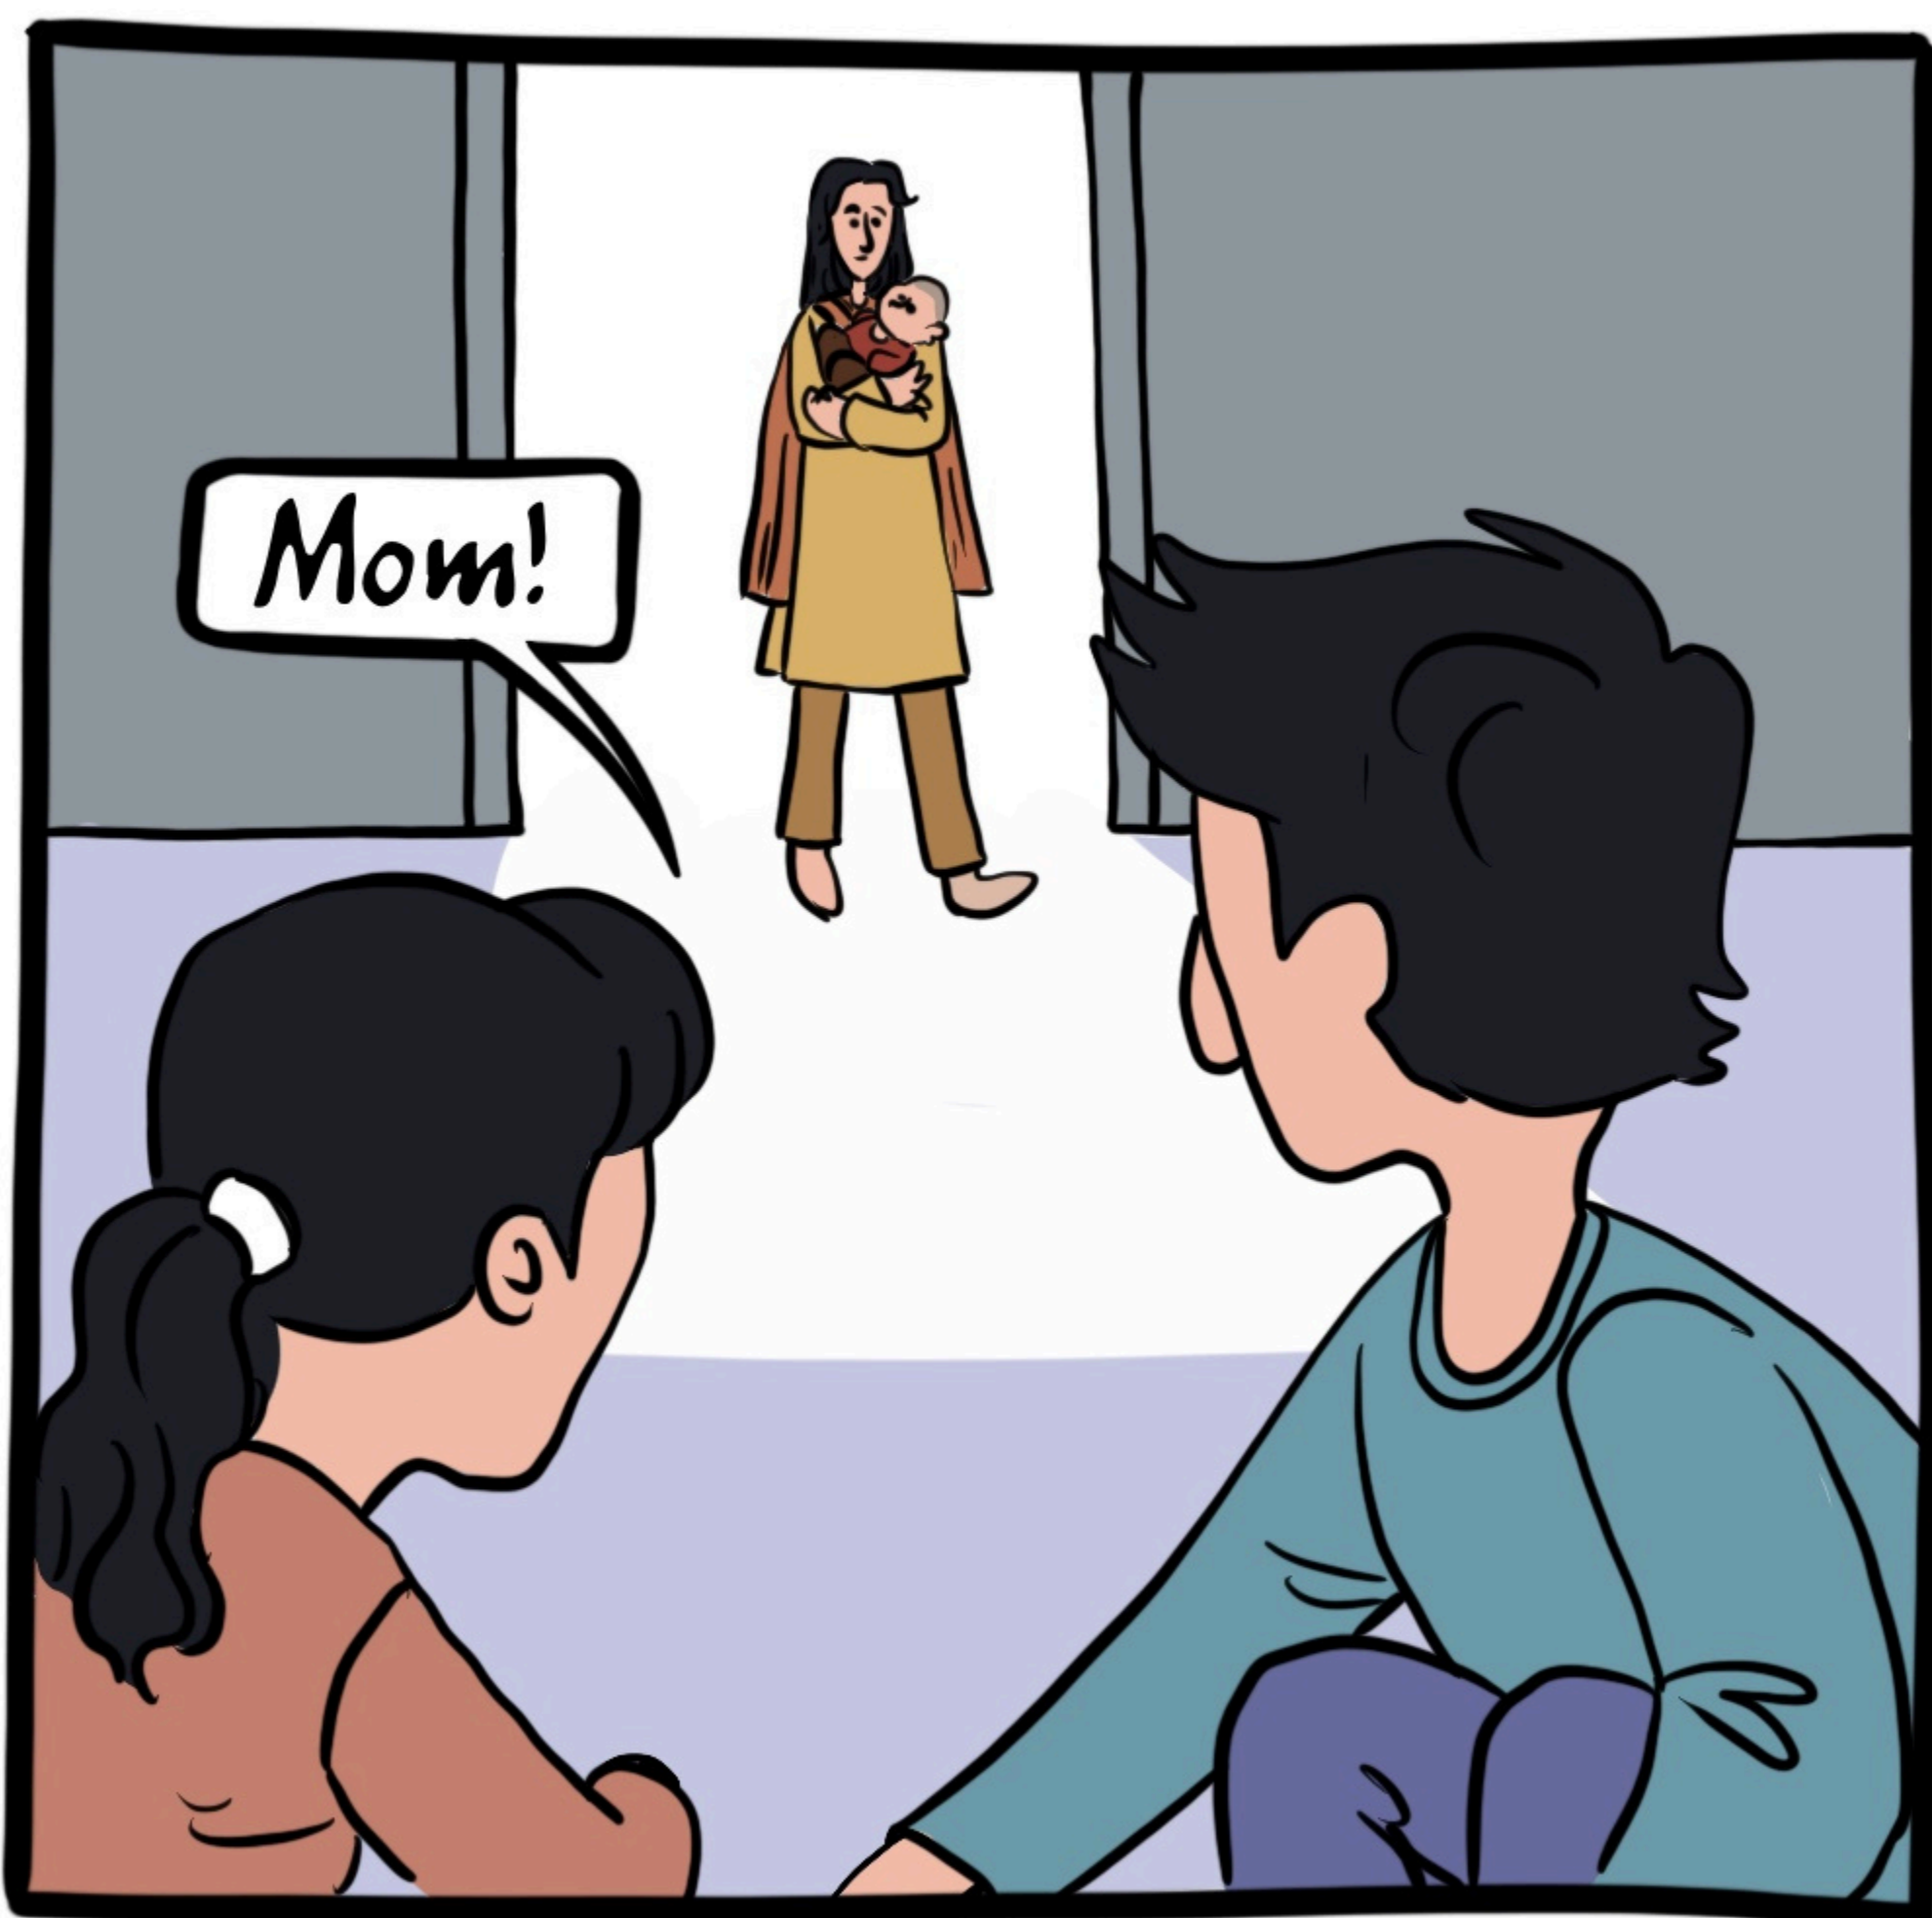

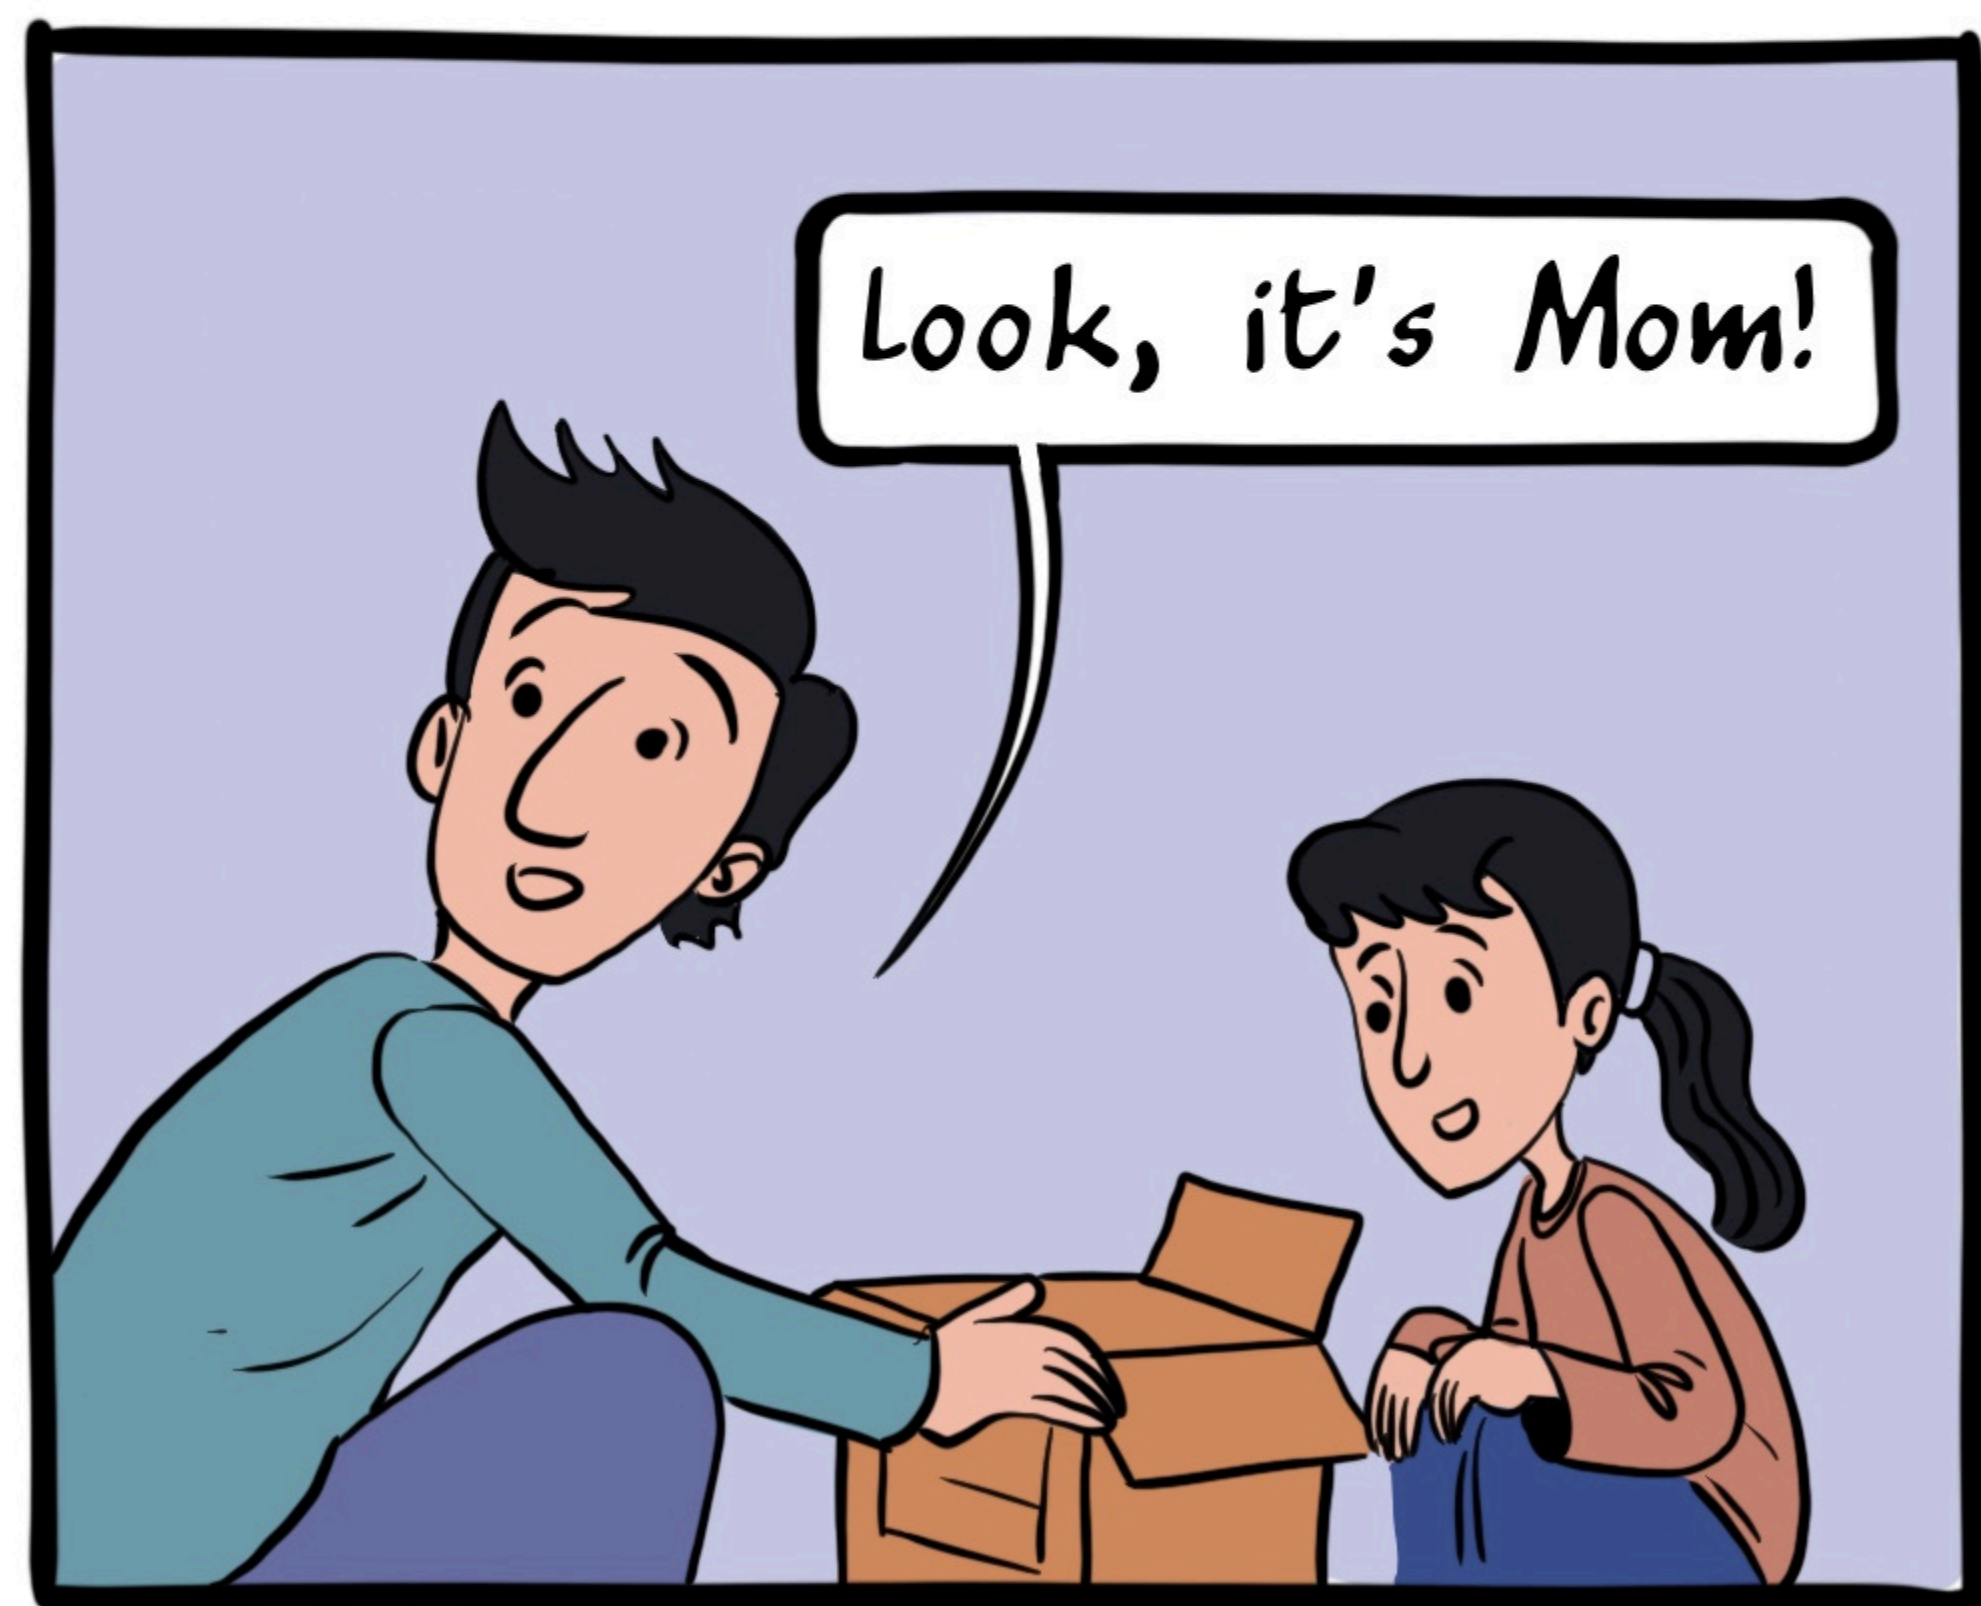

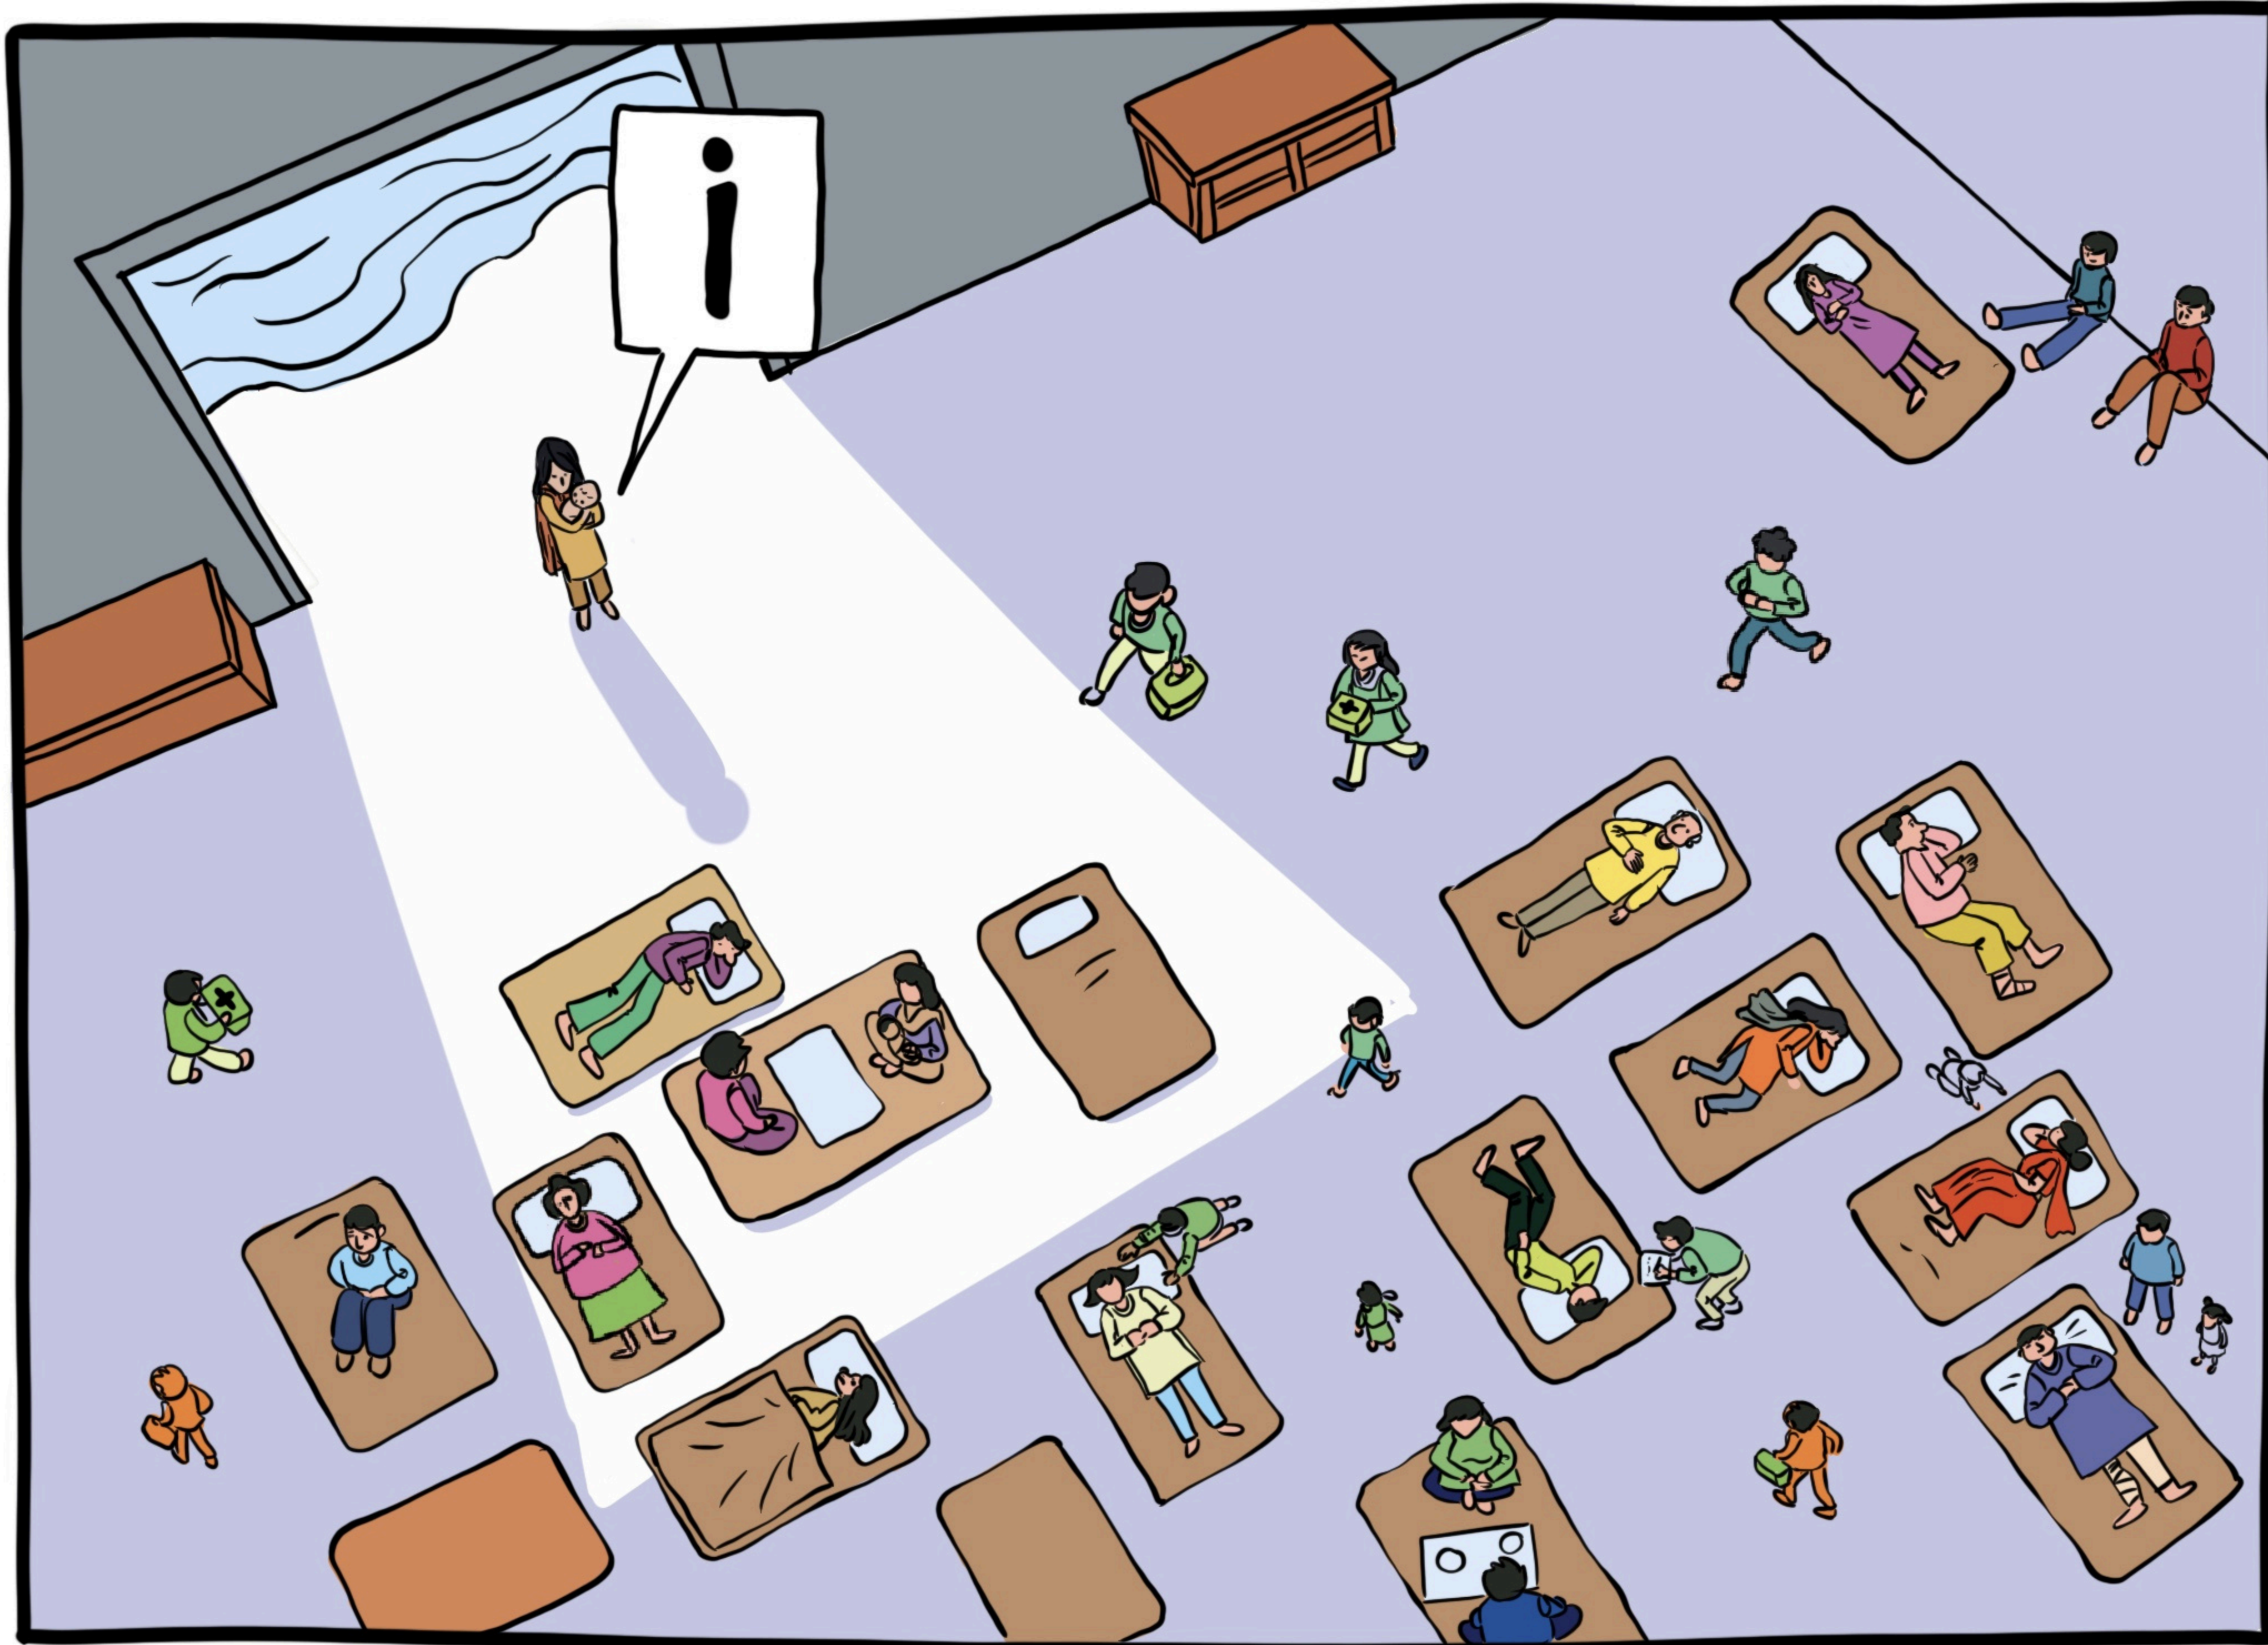

Suddenly, a loud rushing sound of water fills the air. Everyone looks panicked.

The numbers are worse than I thought... 42 dead so far.

I can't believe it... 42 lives gone, just like that.

And they're still saying over 100 people are missing...

Hundreds more are injured... hospitals are overwhelmed.

No one was prepared for something this catastrophic.

How did this get so bad so quickly?

We have to work on supporting these people.

Yeah, we can't just stand by and watch anymore.
